Thereafter what follows is quest for Rank Improvement. On completion of session, students will experience a Rigorous Rank Improvement Program, Inter-Alia, the following:

1. Concept wise analysis of all subjects for each student is done and a strategy for achieving extra ordinariness in every topic is created. 2. Execution of strategy made in point 1. 3. Extensive coverage of Additional Topics, for JEE (Main), which are not part of JEE (Advanced) syllabi. 4. Adequate number of tests are administered followed by analysis and concept strengthening session. All tests are held in exacting IIT-JEE environment. However if you are interested, you can take support for BITSAT.

Note: After the JEE (Main) students are provided with special crash course for JEE (Advanced). The course will commence immediately after the JEE (Main). Those few students who do not qualify for JEE (Advanced) are adviced to drop from preparation of JEE (Advanced).

Tuition Fee includes Classroom Teaching only. Classroom Learning Improvement Program (CLIP) & Chapter Practice Problem (CPP) are provided It is included in Tuition Fee.

+With effect from 1 July 2017, Goods and Service tax i.e. GST would be applicable in India. Accordingly, any additional cost resulting from enactment of "GST or any other law", towards leviable taxes, in respect of goods and services to be supplied, would be recovered from the students and would not be borne by FIITJEE Limited.
